PROJECTS

Project Name:

EDUCATION

Bachelor's Degree: Computer Science   Expected in 07/2026
Damietta University - Damietta, Egypt

COURSES

- **Google Data Analyst Specialist**, Digital Egypt Pioneers Initiative - DEPI · Internship

  May 2024 – December 2024

  I gained comprehensive training in data analysis, learning how to prepare, analyze, and visualize data using tools like Tableau, Power BI, Excel, SQL, Python, and R. I focused on practical skills, such as cleaning and organizing data, performing statistical analysis, and creating visualizations. The course included a capstone project where I applied these skills to real-world scenarios.
